## Monthly News

May 2017

### Message From The Teacher

#### Next month we will focus on:

##### Social Sciences:

Continue the concept of 'reduce reuse recycle'  
Introduce continents and planets  
Learn life skills like folding clothes and tying laces  
and learning the important phone numbers.  
Simple experiments will be conducted in the  
classroom.

##### Motor Skills:

Writing on sand, Cutting on lines

### A Look Ahead...

#### Week 1:

Continue letter B, Introduce letters C and K.  
Vowels and consonants. Understand the  
beginning sounds of letters.

#### Week 2:

Introduce letter J. The children will be  
motivated to figure out the beginning, middle  
and end of a story.

#### Week 3:

Introduce letter z. Help the children to blend  
the sounds to make three letter words.  
Continue with story plot.

**Week 4:** Introduce letter W. Backward  
counting 5-1

**Week 5:** Introduce letter Y. Backward  
counting 5-1

### Special Events

- 11<sup>th</sup> of May Math/Science day activities
- 15<sup>th</sup> of May Trip to Museum of Islamic Art library and Exhibition Centre
- 18<sup>th</sup> of May ABIK Concert
- 25<sup>th</sup> of May Graduation Concert
- 27<sup>th</sup> of May Ramadan ( School timings will be notified soon).

### Things to do at home

The children will take turns to bring in something that they have created for 'Show and Tell'. Kindly assist your child with making/designing/creating something to show and tell their friends about.

### News

This month the children will be practicing for the ABIK concert/graduation ceremony and will be participating in special summer activities every Thursday.

Thank You!
